American Association Games To-Day. Toledo at Indianapolis. Columbus at Louisville. Minneapolis at Kansas City. St. Paul at Milwaukee.

After securing a substantial lead in the early innings and permitting Columbus to draw up even in the eighth inning, Indianapolis won the last game of the series with Columbus at Washington Park yesterday afternoon in the last of the tenth inning. Peter O'Brien furnished the necessary hit to drive the winning run across the plate, making the score 5 to 4, in favor of Indian-

The game was of the exasperating variety and many harsh words would have been spoken had Columbus been able to bag a victory. After sailing along easily in the first few innings with a margin that looked perfectly safe, the Hoosiers fell into the ebb tide and were carried beyond the danahead, but Kihm's dopey play in the sevpions in the lost division.

cellum was sent to the slab for Indianapolis and with the exception of the eighth | 7; Toledo, 7. Time-2:15. Umpire-Mullane. inning, he pitched very good bail. The Senators were very lucky in their hitting and nearly all their safe ones were made on little flies just over the infield. In the eighth, the visitors connected safely with about everything that Kellum tried and four singles and a three-bagger by Turner, ed them on equal terms with the For six innings, the Hoosiers registered

hits in each inning off McMakin, the nbus slabman, and again in the last of the tenth they were able to make conns for enough hits to place them on winning side. Fox, O'Brien and Tamsett led the stick work for Indianapolis. Thoner, Turner and Raymer did the best work with the willow for Columbus. MANY SENSATIONAL PLAYS.

The game was exciting throughout, and many sensational plays were made to offset a few errors and the "Rip Van Winkle" play of Kihm in the seventh. In the second inning, after Mellor had reached third on Tamsett's disastrous wild throw, Thoney hit a fly to left which Jones caught, and by a beautiful throw to the Mellor was tagged. Tamsett reired the visitors in the fourth by catching Mellor's foul by reaching over the bleacher fence. Hogriever registered a brilliant play in the fifth. With only one out and two men on bases, McMakin hit a short fly to right. No one thought Hogriever would get near it and the men on bases started oward home. Hogriever made a sensalional dive and caught the ball within a lew inches of the ground, and then doubled laymer at second. Tamsett, Kihm and eydon indulged in a double play in the seventh that prevented the visitors from scoring over one run in that inning. nbus also played a fast game.

The first three men to face Kellum were easily retired. After Hogriever fouled out n the last of the first inning Fox singled to left and reached second on Heydon's out. Coulter's hit to center scored Fox. While the Hoosiers hit McMackin in the next three innings there was no scoring. In the fifth Tamsett singled. Kellum attempted a sacrifice, Tamsett reaching second on Turner's wild throw. Hogriever advanced the runners with a sacrifice. Fox's single scored Tamsett and Heydon. In the sixth O'Brien singled and stole second, On Kihm's third strike O'Brien stole third. Tamsett's hit scored O'Brien.

SCORED IN SEVENTH. Columbus scored one in the seventh. Turner singled and Mellor flew to Hogriever. Thoney's single sent Turner to third. The ball was passed to Kihm, who picked it up, and while pondering over what to do Thoney went to second. Raymer's hit scored Turner. Fox hit to Tamsett and was thrown out at first and Thoney was caught

Makin singled and the next two batters easily retired. Arndt singled and Turer hit to deep right center for three bases. Mellor's single scored Turner with the tying run. Thoney singled and Raymer was hit, filling the bags. G. Fox ended the inning by flying out to O'Brien. was sacrificed to third, but he could not wone for Evansville to-day. Score: e the circuit. In the last of the tenth Fox beat out an infield effort and Heydon's single sent him to second. Coulter forced Heydon at second, on which Fox went to third. O'Brien then hit to left for a base, sending Fox across the plate with

Farmers from the Fatherland Think American Students Lack Energy.

NEW YORK, June 25.-Having completed their seven weeks' tour of the United States the delegation of forty-seven Germans sent by the Kaiser to study agricultural methods are preparing to leave for home. The leader of the party says what they admire most in the United States is the people. The agricultural experiment stations also were a revelation. Speaking of the schools one of the delegates said: I like your universities very much. They are well put together. But there is one thing they miss, and that is 'beer.' The students here cannot have the energy we have in our German schools by drinking water. It is beer that inspired them."

PHY IN SIXTH ROUND.

Champion Nearly Finished His Man in First Round-Murphy Did Well in the Fourth Round.

BOSTON, Mass., June 25 .- Young Corbett, of Denver, to-night knocked out Hughey Murphy, of New York, in six rounds at catch weights, before the Tammany Ath-

Corbett nearly finished his man in the first round, flooring him twice in quick succession. Corbett's inside fighting was superb and he slashed with both hands with telling effect. In the fourth round only did Murphy outpoint Corbett, and then he made things look a little doubtful. Jack Smith, of Boston, was referee. The fight by rounds follows:

Round 1-The men opened cautiously. Cor-bett landed a stiff right and left and Murphy's courage seemed to be early on the wane. His blows were met with rapid rights and lefts from the Denver lad. A right swing almost sent Murphy under the ropes. Another and he was sent to the mat. The referee counted six and the New York boy rose slowly to his feet. Corbett again floored Murphy with a savage right swing, and just as the referee counted nine Mur-phy regained his feet with his nose bleed-

Round 2-Murphy came up refreshed after having narrowly escaped two knockouts in the first round. Corbett tried hard to repeat his tactics, but was met by rigid resistance. Both clinched considerably and the crowd shouted for them to break. Murphy displayed good generalship. Round 3-Corbett did the leading, de-

voting his attention to Murphy's body, and worked his left to the latter's head. Muredged in several wicked upper cuts and clung to his opponent.

Round 4-Corbett led left to Murphy's head and Murphy replied with three jabs that had little force. He sent left and right to Corbett's body. Corbett fought fiercely on the inside, using both hands with telling Round 5-Corbett rushed at Murphy and

stopped a left jab aimed at his nose. Murphy did conhiderable dodging and Corbett seemed anxious, as he had from the outset, to wind up the battle. Corbett sent left and right to Murphy's body and left side of head. Murphy jabbed four times in return, but his blows had little ginger. Found 6-The sixth round lasted about one minute. Corbett used both hands, as Brooklyn 0 0 0 0 1 0 0 0 0-1 in previous rounds, and knocked out his Runs-Casey (2), Chance, Ahearn. Left man with a terrific right on the jaw.

CHICAGO, June 25.-Darkness ended an eighteen-inning contest between New York and Chicago to-day with the score a tie. It was a rather peculiar exhibition, marked by patches of brilliant fielding and good hitting, but encumbered with errors and foolish baserunning on both sides. The locals made three fast double plays. The batting of Isbell and Ganzel, McFarland's catching, Williams's fielding and sensational catches by Holmes and Jones were noteworthy. Attendance, 2,460.
